

Key Stage 2 spelling bee.

Gatehouse Green Trust proudly presents its first ever key stage 2 spelling bee!! You have the whole of the summer holidays to learn as many of the spellings from your year group list as possible. There are 30 spellings in each list. We will have in-school competitions before sending the winners through to compete against children from the other primary schools.

Good luck and happy spelling!! See if you can spot which well-known books each of these spelling lists are taken from!
